

## **God's Great Love To All**

1. God's great love to all who know Him,  
God's great love to every kind,  
Our God loves us now and always  
Who we are, He loves us all.
2. God's great love to all who seek Him,  
In His Eucharistic feast,  
Our God loves us now and always,  
Who we are, He loves us all.
3. God's great love to all who serve Him,  
Serving each and every kind,  
Our God loves us now and always,  
Who we are, He loves us all.
4. God's great love to all who love Him,  
Love is love in His great name,  
God will love you now and always,  
Who you are, it's still the same.
5. To our great High Priest and Father,  
Of our Love and praise we sing,  
From the hearts that He created,  
Amen, Amen to our King.
